

# Why V8Media?

## V8Media is the perfect web solution partner for your business going forward. Here's why...

### 1. Client understanding

We pride ourselves in creating user friendly, technically refined web solutions that cater for all our clients needs and budget. We make sure all our development projects are of top priority, offering a unique end-to-end service that is hard matched in our market place.

### 2. Attractive, high impact, usable designs

All the website solutions we create are designed with the end user in mind. We strive to deliver innovative, easy to use, easy to manage web solutions that will give your business the rate of return you are looking for.

### 3. Measurable results

Our web solutions have been proven to deliver a measurable return on investment (ROI)

### 4. Experienced team

We have over 40 years of combined experience surrounding the web delivering first class, bespoke solutions for businesses around the UK. We can advise you on various aspects of a project, from start to finish.

### 5. Project delivery

We pride ourselves in delivering projects on time, all the time. If you stick to the contract, so will we.

### 6. Attention to detail

Our web solutions are full of neat little surprises you can't often see. Our team love refining websites with the extra little details that can make your website all the more attractive, usable and search engine friendly.

### 7. Best practise search engine optimisation

We have a highly skilled SEO specialist that is trained in optimising your website using best practise SEO techniques. We can help you gain strong search rankings, letting more people reach your website.

### 8. Integrated email marketing

We have extensive experience in integrating your online solution with a hard hitting marketing campaign. We can help you reach a wider audience world-wide by creating, distributing and measuring email campaigns.

### 9. Tightly managed hosting and support

Our tightly managed hosting service is as reliable as they come. You have constant access to our technical engineers should you need support at any time and our team are always on hand to help with any queries.

### 10. Customer care

We always try and establish long term relationships with our clients as well as providing a unique service that can really help keep your business ahead of the competition.

We believe our combined experience, creative and technical ability is first class. Don't believe us? Find out what some of our clients have to say about us at [www.v8media.co.uk/testimonials](http://www.v8media.co.uk/testimonials).

Alternatively, call us on **01432 268 175** to discuss your needs, budget and business requirements.
